

Raid Rockingham Parking Bulletin

Start venue is at Newmarket High School (213 S. Main St) but there is limited parking there. Please reference the map below for other options (P) and mind these suggestions:

CARPOOL! - this one's really important, our most effective way to reduce cars.

Live locally (or have friends that do)? - ditch the car and ride to the Start!

Pay attention to any posted No Parking or restriction signage.

Respect and appreciate the police officers and parking attendants who are trying to help you.
